Travelling via Bright, we stop at the **Red Stag Deer & Emu Farm** in Eurobin. Staff at the farm will provide the students with an age appropriate interactive talk on their animals, production and feeding. Students will also have the opportunity to feed the animals (bag of food provided by farm).

We will spend the afternoon looking around the Red Stag Deer & Emu Farm and eating lunch (provided by the farm) before making our way to our accommodation for the next three nights, **Feathertop Chalet** in Harrieville.

After settling into our rooms, we go to the dining room for a 2-course Dinner.

Afterwards its time to sit back and have a movie night at the Chalet or maybe go on a night bush walk (weather dependent).

After breakfast this morning we are off for a day of **Snow Fun**. Remember to grab your winter woollies before hopping on the coach.

We head to **Dinner Plains** for a day of tobogganing, snow walks, building snowmen and snow castles.

The Snow Park at Dinner Plain, set amongst the pristine bush of the Victorian Alps, is the perfect place for kids and beginners to experience snow and skiing in a fun and safe environment. (We will be using the Pea Shooter Toboggan Slope however for an extra cost, Schools can choose to use different parts of the park or maybe even have a beginners ski lesson).
